Amarillo, TX 79114

Dear Josh;

Thank you for your participation in Earth Fest this year. Aqua One has proven that it is an asset to the community and to Wildcat Bluff Nature Center. The water donation and loan of water coolers was definitely a wonderful addition to Earth Fest. Because of your generosity, we were able to make Earth Fest even greener than it was last year. Instead of one-time use, throw-away plastic bottles of water, the reusable bottles and your water made that possible. Earth Fest would not be as successful without your help.

We had many requests from folks wanting to sign up for your service so we are hoping that for next year's event you will be able to have a booth too.

We are looking forward to Earth Fest next year! It will be on April 17, 2010, and we hope you will be able to participate!

Thank you,

Rhoda Breeden
Educator/Supervisor
